Disney, Baseball Sluggers and D.C. Comic Book Picture Postal Card issues have each card with its indicia design (minus value) reproduced on its reverse side, enlarged or cropped to fill the entire space. The front of each booklet cover opens to reveal the picture side of the cards. Each card contains the USPS copyright notice and the year date 2006 (exception: Pikes Peak - 2005). Florida Wetland indicia designs were taken and enlarged from the entire picture side artwork, with simulated edge die-cutting, white dropout value and black "2006" added. Florida Wetland picture sides (artwork with additional wording) are all identical. The Disney, Baseball Sluggers and D.C. Comic Book cards contain additional copyright wording and, along with Florida Wetland cards, some additional explanatory text. Booklets and Packet Sets are wrapped in non-archival shrink-wrap plastic which collectors should consider discarding.
