

## PANAMA POSTAL STATIONERY

BY

BRADLEY G WILDE

Published by the United Postal Stationery Society, Inc.

This catalogue is a labor of over 20 years of collecting Panama postal stationery, exhibiting it, and receiving feedback from other collectors around the world. It replaces the 40-year-old Higgins & Gage Catalog correcting inconsistencies and updating prices. It includes much archival material that has come on the market over the last few years.

This new book is in color with a laminated color cover and is available for \$28.00, or \$35.00 to non-members, postpaid to USA and foreign addresses.
